

# 125 F turbo

Axial fans for exhaust ventilation

- Maximum airflow: 232
- Sound pressure level LpA at 3 m: 37
- Motor type: AC
- Casing material: Plastic

|   | Unit of measurement     | 125 F turbo |
|---|-------------------------|-------------|
| Connected air duct size                     | mm                      | 125         |
| Speed                                       | -                       | 1           |
| Minimum supply voltage                      | V                       | 220         |
| Maximum supply voltage                      | V                       | 240         |
| Power supply frequency                      | Hz                      | 50/60       |
| Rated power                                 | W                       | 24          |
| Unit current                                | A                       | 0.1         |
| Maximum airflow                             | m <sup>3</sup> /h       | 232         |
| Sound pressure level LpA at 3 m             | dB(A)                   | 37          |
| Weight                                      | kg                      | 0.77        |
| Ambient air temperature min                 | °C                      | 1           |
