

# Belimo TF230

The actuators are designed for controlling air dampers with cross section up to 0.4 m<sup>2</sup> performing protection functions

|                             | Unit of measurement | Belimo TF230 |
|-----------------------------|---------------------|--------------|
| Minimum supply voltage      | V                   | 230          |
| Maximum supply voltage      | V                   | 230          |
| Power supply frequency      | Hz                  | 50/60        |
| Rated power                 | W                   | 2            |
| Weight                      | kg                  | 0.6          |
| Ambient air temperature min | °C                  | -30          |
| Ambient air temperature max | °C                  | 50           |
| Ingress protection rating   | -                   | IP42         |
