

# Quietline-k 100

Extra quiet axial inline fans with low power consumption

- Maximum airflow: 100
- Sound pressure level LpA at 3 m: 25
- Motor type: AC
- Casing material: Polypropylene/Thermoplastic elastomer
- Backdraft protection: Backdraft damper

|                                 | Unit of measurement | Quietline-k 100 |
|---------------------------------|---------------------|-----------------|
| Connected air duct size         | mm                  | 100             |
| Speed                           | -                   | 1               |
| Minimum supply voltage          | V                   | 220             |
| Maximum supply voltage          | V                   | 240             |
| Power supply frequency          | Hz                  | 50              |
| Rated power                     | W                   | 7.5             |
| Unit current                    | A                   | 0.049           |
| Maximum airflow                 | m <sup>3</sup> /h   | 100             |
| Sound pressure level LpA at 3 m | dB(A)               | 25              |
| Weight                          | kg                  | 0.61            |
| Ambient air temperature min     | °C                  | 1               |
| Ambient air temperature max     | °C                  | 40              |
| Ingress protection rating       | -                   | IPX4            |
