

## RS-0,5-PS

Used in ventilation systems for switching on/off and speed control of single-phase fan motors with voltage control

- Casing material: Plastic

	Unit of measurement	RS-0,5-PS
Phases	-	1
Minimum supply voltage	V	230
Maximum supply voltage	V	230
Power supply frequency	Hz	50
Weight	kg	0.16
Ambient air temperature max	°C	35
Ingress protection rating	-	IP44
