

# VNV-1E 80 KVK-L H

Centrifugal fan in plastic casing with air capacity

- Maximum airflow: 100
- Sound pressure level LpA at 3 m: 38
- Control: Wired control panel
- Casing material: Plastic
- Backdraft protection: Backdraft damper
- Humidity sensor: Built-in
- Light sensor: Built-in

|                                 | Unit of measurement | VNV-1E 80 KVK-L H |      |
|---------------------------------|---------------------|-------------------|------|
| Connected air duct size         | mm                  | 80                |      |
| Speed                           | -                   | 2                 |      |
| Minimum supply voltage          | V                   | 220               |      |
| Maximum supply voltage          | V                   | 240               |      |
| Power supply frequency          | Hz                  | 50                |      |
| Rated power                     | W                   | 24                | 29   |
| Unit current                    | A                   | 0.11              | 0.13 |
| Maximum airflow                 | m <sup>3</sup> /h   | 75                | 100  |
| Sound pressure level LpA at 3 m | dB(A)               | 29                | 38   |
| Weight                          | kg                  | 2.7               |      |
| Ambient air temperature min     | °C                  | 1                 |      |
| Ambient air temperature max     | °C                  | 40                |      |
| Ingress protection rating       | -                   | IP55              |      |
